

# Curriculum Vitae, Bryan Hain

## PROFILE

I am a self-taught web developer from Berlin with a passion for creating stunning websites and writing clean code. My current focus is in learning Three.js so that I am also able to create 3D animated websites in the future. Outside of development my hobbies consist of boxing, cooking healthy dishes and going to the cinema.

---

## WORK EXPERIENCE

### FRONTEND DEVELOPER, MICROMERCE

JAN.2022 - JUN.2022

Micromerce is a company which offers software solutions to companies by offering a software-development-kit as a service. My main task at Micromerce was to help optimize and implement various website layouts using SCSS. I also supported with doing customers data transformations in TypeScript and wrote unit tests for React components using Testing-library.
